The Croghan Christmas Market is here! Enjoy FREE admission to both the craft show and museum exhibits. Shop a variety of local artisans and visit the museum gift shop for maple treats and more! The Croghan Christmas Market will be open every Friday and Saturday starting November 23 until December 15.

# Senator Schumer Visits the International Maple Museum Centre

*IMMC President Don Moser introduces Senator Schumer*

*IMMC Executive Director Christine Colon greets Senator Schumer*

Senator Schumer held a press conference at the International Maple Museum Centre to announce his plan to re-authorize and increase funding for a program that helps the maple industry. It's called Acer and it was part of the 2014 Farm Bill.

The Acer Access and Development Program, included as part of the 2014 Farm Bill, expired Sept. 30. Despite being part of the Farm Bill since 2014, funding for the program only began in 2017 with \$1 million allocated. The program appropriation was increased to \$2 million in 2018, about \$500,000 of which came directly back to New York state through a grant to the Cornell University College of Agriculture and Life Sciences last month.

The Acer Program gives grants to state initiatives, tribal governments and research institutions for research and education in maple production and business issues, sustainability of trees and to increase the number of trees available to be tapped throughout the state by working to make more public and private maple tree-rich land available to maple producers.

## *Maple Gift Baskets*

Make your own personalized gift basket or purchase a pre-made maple gift basket.

### **Attend Museum Board Meetings on Facebook**

The International Maple Museum Centre invites those wishing to attend museum board meetings to join us virtually via Facebook video. This can be accessed through your Facebook messenger app or through the Facebook website. The International Maple Museum Centre board meets on the first Tuesday of every month at 7:30pm. This is an interactive experience unlike the “live” Facebook feature which allows viewers to watch live but not speak out loud. Viewers will be able to converse with the board as if they were present in the meeting. This technology provides the possibility of individuals from around the world to become members of our board. Please note that attending board meetings does not induct one onto the Board. Those interested in attending a board meeting virtually may contact the museum for more information at [info@maplemuseumcentre.org](mailto:info@maplemuseumcentre.org) or calling 315-346-1107.

Plan your organization's tour and breakfast at the
