Attend Museum Board Meetings on Facebook

The International Maple Museum Centre invites those wishing to attend museum board meetings to join us virtually via Facebook video. This can be accessed through your Facebook messenger app or through the Facebook website. The International Maple Museum Centre board meets on the first Tuesday of every month at 7:30pm. This is an interactive experience unlike the “live” Facebook feature which allows viewers to watch live but not speak out loud. Viewers will be able to converse with the board as if they were present in the meeting. This technology provides the possibility of individuals from around the world to become members of our board. Please note that attending board meetings does not induct one onto the Board. Those interested in attending a board meeting virtually may contact the museum for more information at info@maplemuseumcentre.org or calling 315-346-1107.

Plan your organization's tour and breakfast at the

INTERNATIONAL MAPLE MUSEUM CENTRE
